Caused by Election Frauds.

St. Louis, May 6.—The Republic's special from Little Rock, says: A private letter from Morrillton says an attempt to assassinate ex-Sherif Harry Comblentz was made late Saturday afternoon on the streets of that place by Oby Bentley. Only meagre datails have been learneg. Comblentz, who is assisting the prosecution in the election cases, and who has been attending the federal court, lett for home Saturday morning, Bentley leaving Friday. It seems that when Comblentz got off the train at Morrillton on Saturday Bentley appeared on the street with a double carrelled shotgun and was about to cet down on him when Sheriff Shelby and others caught hold of the weapon and prevented probably another tragedy. There is bad blood be tween the two men on account of Combentz's efforts to convict certain parties of election frauds. Serious trouble is feared.
